NBRP Medaka CRISPR target site

RRID:SCR_018159

Type: Tool

Proper Citation

NBRP Medaka CRISPR target site (RRID:SCR_018159)

Resource Information

URL: <http://viewer.shigen.info/cgi-bin/crispr/crispr.cgi>

Proper Citation: NBRP Medaka CRISPR target site (RRID:SCR_018159)

Description: Web tool to show micro homology sequences striding over double strand break point created by CRISPR/Cas9 system. Used to search for CRISPR target site with micro-homology sequences. Used to predict deletion pattern.

Resource Type: analysis service resource, production service resource, service resource

Keywords: Micro homology sequence, double strand break point, CRISPR/Cas9 system, predict deletion pattern, sequence, mutation, target gene

Availability: Free, Freely available

Resource Name: NBRP Medaka CRISPR target site

Resource ID: SCR_018159

Record Creation Time: 20220129T080338+0000

Record Last Update: 20260912T200218+0000

Ratings and Alerts

No rating or validation information has been found for NBRP Medaka CRISPR target site.

No alerts have been found for NBRP Medaka CRISPR target site.
