RRID:SCR_018490

Type: Tool

Proper Citation

REDIportal (RRID:SCR_018490)

Resource Information

URL: <http://srv00.recas.ba.infn.it/atlas/index.html>

Proper Citation: REDIportal (RRID:SCR_018490)

Description: Comprehensive database of A-to-I RNA Editing Events. Atlas of A-to-I RNA editing events in human and other organisms. Collection of A-to-I events in body sites of healthy individuals from GTEx project. RNA Editing sites can be searched by genomic region, gene name and other relevant features as tissue of origin. Query results are shown in sortable and downloadable tables in which main characteristics of individual RNA editing events are reported. RNA-Seq and DNA-Seq coverage per site as well as RNA editing levels are provided.

Resource Type: atlas, data or information resource, database, portal, service resource, topical portal

Defining Citation: [PMID:27587585](#)

Keywords: A-to-I RNA Editing Events, RNA editing events collection, atlas, database, GTEx project, genomic region, gene name, RNAseq, DNaseq, , bio.tools

Funding: Consiglio Nazionale delle Ricerche ;
Italian Ministero dell Istruzione

Availability: Free, Freely available

Resource Name: REDIportal

Resource ID: SCR_018490

Alternate IDs: biotools:rediportal

Alternate URLs: <https://bio.tools/rediportal>

Record Creation Time: 20220129T080340+0000

Ratings and Alerts

No rating or validation information has been found for REDlportal.
