Proper Citation: Siemens: Dade Behring BNII Nephelometer System (RRID:SCR_018634)

Description: Siemens Dade Behring BN II Nephelometer is leading fully automated system for plasma protein determinations. BN II systems offer advanced nephelometric technology that provides performance in plasma protein analysis. This instrument's menu covers assays, which support various clinical tests including cardiac risk assessment, kidney diseases and nutritional assessment. markers such as Cystatin C and Carbohydrate-Deficient Transferrin (CDT) are also supported. Other features of the Dade Behring BN II Nephelometer include rapid processing, easy operation and random-access mode. The nephelometer also permits users to put up to 100 samples on board, making it best for mid to high-volume processing.

Synonyms: Dade Behring BN II Nephelometer, Siemens Dade Behring BNII Nephelometer

Resource Type: instrument resource

Keywords: Nephelometer, Instrument, Equipment, USEDit, siemens, ABRF

Resource Name: Siemens: Dade Behring BNII Nephelometer System

Resource ID: SCR_018634

Alternate IDs: Model_Number_BNII, SCR_019838
