Simple Assignment of Spots to Surfaces

RRID:SCR_018797

Type: Tool

Proper Citation

Simple Assignment of Spots to Surfaces (RRID:SCR_018797)

Resource Information

URL: <https://github.com/TMinchington/sass>

Proper Citation: Simple Assignment of Spots to Surfaces (RRID:SCR_018797)

Description: Software tool as custom analysis code combining single-cell traces and spot detection from live imaging movies and using Imaris output.

Abbreviations: SASS

Resource Type: data analysis software, data processing software, software application, software resource

Defining Citation: [DOI:10.1101/837179](https://doi.org/10.1101/837179)

Keywords: Custom analysis, single cell trace, spot detection, live imaging movie, assign spots, Imaris detection, expression domain, cell distance

Availability: Free, Available for download, Freely available

Resource Name: Simple Assignment of Spots to Surfaces

Resource ID: SCR_018797

Record Creation Time: 20220129T080342+0000

Record Last Update: 20260905T132842+0000

Ratings and Alerts

No rating or validation information has been found for Simple Assignment of Spots to Surfaces.

No alerts have been found for Simple Assignment of Spots to Surfaces.
