Trial Registration Number screener

RRID:SCR_019211

Type: Tool

Proper Citation

Trial Registration Number screener (RRID:SCR_019211)

Resource Information

URL: <https://github.com/bgcarlisle/TRNscreener>

Proper Citation: Trial Registration Number screener (RRID:SCR_019211)

Description: Software tool as R script to provide function that takes two arguments: path to folder of plain text files named by their DOI, and output filename. For each file in folder, it searches for trial identifiers based on regex matching and writes CSV that contains all trial registration numbers and in case of ClinicalTrials.gov entries, whether they correspond to registry entry on ClinicalTrials.gov.

Abbreviations: TRNscreener

Synonyms: Trial Registration Number screener, Trial registration number screener

Resource Type: data analysis software, data processing software, software application, software resource

Keywords: ClinicalTrials.gov, plain text files, DOI named, output filename, trial identifiers searches, regex matching, trial registration numbers, ASWG

Availability: Free, Available for download, Freely available

Resource Name: Trial Registration Number screener

Resource ID: SCR_019211

Record Creation Time: 20220129T080344+0000

Record Last Update: 20260919T195404+0000
