CapTouch project

RRID:SCR_021488

Type: Tool

Proper Citation

CapTouch project (RRID:SCR_021488)

Resource Information

URL: <https://edspace.american.edu/openbehavior/project/captouch/>

Proper Citation: CapTouch project (RRID:SCR_021488)

Description: Project related to study learning and memory in preclinical research. Included tracking system for object recognition tasks provides standardization across experiments and labs. Automates scoring process using capacitive sensors, while providing validated 3D-printed objects in order to standardize object recognition to study learning and memory in preclinical research. Used for accurate measurement of interaction time during object recognition tasks.

Synonyms: CapTouch

Resource Type: data or information resource, instrument resource, portal, project portal

Defining Citation: [DOI:10.1523/eneuro.0310-20.2020](https://doi.org/10.1523/eneuro.0310-20.2020)

Keywords: Tracking system, object recognition tasks, standardization across experiments, automated scoring process, capacitive sensors, standardize object recognition, study learning and memory, accurate measurement, interaction time, OpenBehavior., Instrument

Availability: Free, Freely available

Resource Name: CapTouch project

Resource ID: SCR_021488

Record Creation Time: 20220129T080355+0000

Record Last Update: 20260905T132940+0000

Ratings and Alerts

No rating or validation information has been found for CapTouch project.

No alerts have been found for CapTouch project.
