University of Texas at Austin Microscopy and Flow Cytometry Core Facility

RRID:SCR_021756

Type: Tool

Proper Citation

University of Texas at Austin Microscopy and Flow Cytometry Core Facility
(RRID:SCR_021756)

Resource Information

URL: <https://research.utexas.edu/cbrs/cores/mfc/>

Proper Citation: University of Texas at Austin Microscopy and Flow Cytometry Core Facility (RRID:SCR_021756)

Description: Provides light microscopy and flow cytometry equipment and services for ultra structural analysis of variety of sample types. Offers assisted use and training on its instrumentation and consultations on related research. Provides access to both standard and high-end imaging instrumentation to all levels of users.

Abbreviations: CBRS MFC

Synonyms: Center for Biomedical Research Support Microscopy and Imaging Core Facility, Microscopy and Flow Cytometry Facility University of Texas at Austin, Center for Biomedical Research Support Microscopy and Imaging Facility at UT Austin

Resource Type: access service resource, core facility, service resource

Keywords: USEDit, ABRF, microscopy equipment, microscopy services, ultra structural analysis, fluorescence, flow cytometry, confocal, cell sorter

Resource Name: University of Texas at Austin Microscopy and Flow Cytometry Core Facility

Resource ID: SCR_021756

Alternate IDs: ABRF_1222

Alternate URLs: <https://coremarketplace.org/?FacilityID=1222>

Record Creation Time: 20220129T080357+0000

Ratings and Alerts

No rating or validation information has been found for University of Texas at Austin Microscopy and Flow Cytometry Core Facility.

No alerts have been found for University of Texas at Austin Microscopy and Flow Cytometry Core Facility.

Data and Source Information
