NETMAGE

RRID:SCR_021843

Type: Tool

Proper Citation

NETMAGE (RRID:SCR_021843)

Resource Information

URL: <https://hdpm.biomedinfo lab.com/netmage/>

Proper Citation: NETMAGE (RRID:SCR_021843)

Description: Web tool for automated generation of interactive disease-disease network visualizations given input PheWAS summary data. Given genetic associations from Phenome-Wide Association Study, disease-disease network can be constructed where nodes represent phenotypes and edges represent shared genetic associations between phenotypes.

Resource Type: 2d spatial image, data or information resource, image

Defining Citation: [DOI:10.1101/2020.10.27.357103](https://doi.org/10.1101/2020.10.27.357103)

Keywords: PheWAS, genetic associations from Phenome Wide Association Study, disease-disease network construction, phenotypes, shared genetic associations between phenotypes

Funding: NIGMS

Availability: Free, Available for download, Freely available

Resource Name: NETMAGE

Resource ID: SCR_021843

Alternate IDs: SCR_021851

Alternate URLs: <https://github.com/dokyoonkimlab/netmage>
