University of Arizona Molecular Structures Core Facility

RRID:SCR_022888

Type: Tool

Proper Citation

University of Arizona Molecular Structures Core Facility (RRID:SCR_022888)

Resource Information

URL: <https://cbc.arizona.edu/research/support-services/facilities/molecular-structures-core>

Proper Citation: University of Arizona Molecular Structures Core Facility (RRID:SCR_022888)

Description: Core enables researchers to determine structures and dynamics, or motions, of large biomolecules such as proteins and DNA to understand how they interact with each other and with small molecules such as drugs.

Abbreviations: MSC

Synonyms: Molecular Structures Core (MSC), University of Arizona Molecular Structures Core (MSC)

Resource Type: access service resource, core facility, service resource

Keywords: USEDit, ABRF, determine structures and dynamics, determine motions, large biomolecules, small molecules interaction

Resource Name: University of Arizona Molecular Structures Core Facility

Resource ID: SCR_022888

Alternate IDs: ABRF_1585

Alternate URLs: <https://coremarketplace.org/?FacilityID=1585&citation=1>

Record Creation Time: 20221014T050208+0000

Record Last Update: 20260905T133430+0000

Ratings and Alerts

No rating or validation information has been found for University of Arizona Molecular Structures Core Facility.

No alerts have been found for University of Arizona Molecular Structures Core Facility.
