Resource Summary Report

Generated by PRECISE-TBI on Sep 8, 2026

University of California at Los Angeles California NanoSystems Institute Integrated NanoMaterials Laboratory Core Facility

RRID:SCR_022925
Type: Tool

Proper Citation

University of California at Los Angeles California NanoSystems Institute Integrated NanoMaterials Laboratory Core Facility (RRID:SCR_022925)

Resource Information

URL: https://inml.cnsi.ucla.edu/

Proper Citation: University of California at Los Angeles California NanoSystems Institute Integrated NanoMaterials Laboratory Core Facility (RRID:SCR_022925)

Description: Nanomaterials and nanostructures grown in INML are used in lasers, solar cells, detectors, transistors, modulators, and a wide range of other electronic and photonic devices.

Abbreviations: INML

Synonyms: California NanoSystems Institute Integrated NanoMaterials Laboratory, INML-Integrated NanoMaterials Laboratory

Resource Type: access service resource, core facility, service resource

Keywords: USEDit, ABRF, nanomaterials, nanostructures, electronic and photonic devices

Resource Name: University of California at Los Angeles California NanoSystems Institute Integrated NanoMaterials Laboratory Core Facility

Resource ID: SCR_022925

Alternate IDs: ABRF_1605

Alternate URLs: https://coremarketplace.org/?FacilityID=1605&citation=1

Record Creation Time: 20221026T050203+0000

Record Last Update: 20260905T133430+0000

Ratings and Alerts

No rating or validation information has been found for University of California at Los Angeles California NanoSystems Institute Integrated NanoMaterials Laboratory Core Facility.

No alerts have been found for University of California at Los Angeles California NanoSystems Institute Integrated NanoMaterials Laboratory Core Facility.

Data and Source Information
