Resource Summary Report

Generated by PRECISE-TBI on Sep 8, 2026

Emory University Emory HPLC Bioanalytical Core Facility

RRID:SCR_023531
Type: Tool

Proper Citation

Emory University Emory HPLC Bioanalytical Core Facility (RRID:SCR_023531)

Resource Information

URL: https://www.cores.emory.edu/hplc/

Proper Citation: Emory University Emory HPLC Bioanalytical Core Facility (RRID:SCR_023531)

Description: Core offers services to identify and quantify monoamine neurotransmitters, amino acids, purine bases, and nucleotides from variety of biological samples. Provides expertise to develop and validate HPLC methods to measure other small molecule compounds, peptides, and proteins.

Synonyms: Emory HPLC Bioanalytical Core, Emory University Emory HPLC Bioanalytical Core

Resource Type: access service resource, core facility, service resource

Keywords: USEDit, ABRF, monoamine neurotransmitters, amino acids, purine bases, nucleotides, identification and quantification services,

Resource Name: Emory University Emory HPLC Bioanalytical Core Facility

Resource ID: SCR_023531

Alternate IDs: ABRF_1749

Alternate URLs: https://coremarketplace.org/?FacilityID=1749&citation=1

Record Creation Time: 20230503T050210+0000

Record Last Update: 20260905T133435+0000

Ratings and Alerts

No rating or validation information has been found for Emory University Emory HPLC Bioanalytical Core Facility.

No alerts have been found for Emory University Emory HPLC Bioanalytical Core Facility.

Data and Source Information
