Kinase Associated Neural Phospho Signaling

RRID:SCR_023659

Type: Tool

Proper Citation

Kinase Associated Neural Phospho Signaling (RRID:SCR_023659)

Resource Information

URL: <https://kanphos.neuroinf.jp/>

Proper Citation: Kinase Associated Neural Phospho Signaling (RRID:SCR_023659)

Description: Database system that provides phosphorylated sites and information about which substrates are phosphorylated by specific kinase and which extracellular stimuli activate or inhibit protein phosphorylation via intracellular signaling cascades.

Abbreviations: KANPHOS

Resource Type: data or information resource, database

Keywords: Fujita Health University, Toyoake, Japan, phosphorylated sites, substrates, phosphorylation, kinase, protein phosphorylation, intracellular signaling cascades,

Availability: Free, Freely available

Resource Name: Kinase Associated Neural Phospho Signaling

Resource ID: SCR_023659

Record Creation Time: 20230607T050210+0000

Record Last Update: 20260912T200221+0000

Ratings and Alerts

No rating or validation information has been found for Kinase Associated Neural Phospho Signaling.

No alerts have been found for Kinase Associated Neural Phospho Signaling.

Data and Source Information
