merTools

RRID:SCR_023700

Type: Tool

Proper Citation

merTools (RRID:SCR_023700)

Resource Information

URL: <https://cran.r-project.org/web/packages/merTools/index.html>

Proper Citation: merTools (RRID:SCR_023700)

Description: Software R package for extracting results from mixed effect model objects fit with 'lme4' package. Allows construction of prediction intervals efficiently from large scale linear and generalized linear mixed effects models. Used for analyzing mixed effect regression models.

Synonyms: mixed effect regression Tools

Resource Type: software resource, software toolkit

Keywords: analyzing mixed effect regression models, mixed effect regression models, linear and generalized linear mixed effects models, prediction intervals construction,

Availability: Free, Available for download, Freely available

Resource Name: merTools

Resource ID: SCR_023700

Alternate URLs: <https://github.com/jknowles/merTools>

License: GPL v3

Record Creation Time: 20230621T050216+0000

Record Last Update: 20260905T133315+0000

Ratings and Alerts

No rating or validation information has been found for merTools.

No alerts have been found for merTools.
