EMMAX

RRID:SCR_024012

Type: Tool

Proper Citation

EMMAX (RRID:SCR_024012)

Resource Information

URL: <https://genome.sph.umich.edu/wiki/EMMAX>

Proper Citation: EMMAX (RRID:SCR_024012)

Description: Software statistical test for large scale human or model organism association mapping accounting for the sample structure. In addition to the computational efficiency obtained by EMMA algorithm, EMMAX takes advantage of the fact that each loci explains only a small fraction of complex traits, which allows us to avoid repetitive variance component estimation procedure, resulting in a significant amount of increase in computational time of association mapping using mixed model.

Synonyms: Efficient Mixed-Model Association eXpedited, emmax

Resource Type: software application

Keywords: statistical test, human or model organism association mapping, sample structure, association mapping

Availability: Free, Available for download, Freely available

Resource Name: EMMAX

Resource ID: SCR_024012

Alternate IDs: OMICS_08871

Alternate URLs: <https://sources.debian.org/src/emmax/>

Record Creation Time: 20230824T050211+0000

Record Last Update: 20260905T133028+0000

Ratings and Alerts

No rating or validation information has been found for EMMAX.

No alerts have been found for EMMAX.

Data and Source Information
