OpenSurgSim

RRID:SCR_024147

Type: Tool

Proper Citation

OpenSurgSim (RRID:SCR_024147)

Resource Information

URL: <http://www.opensurgsim.org/>

Proper Citation: OpenSurgSim (RRID:SCR_024147)

Description: Open source software framework that includes the necessary building blocks for surgical simulations, such as native device support, haptic feedback, graphics, discrete collision detection and physics simulation. Developers can refactor the physics engine, swap models, ODE solvers, or linear system solvers.

Synonyms: opensurgsim

Resource Type: software library, software resource, software toolkit

Keywords: building blocks for surgical simulations, native device support, haptic feedback, graphics, discrete collision detection and physics simulation,

Availability: Free, Available for download, Freely available,

Resource Name: OpenSurgSim

Resource ID: SCR_024147

Alternate URLs: <https://sources.debian.org/src/opensurgsim/>,
<https://github.com/simquest/opensurgsim>

License: Apache-2.0 license

Record Creation Time: 20230824T050212+0000

Record Last Update: 20260905T133104+0000

Ratings and Alerts

No rating or validation information has been found for OpenSurgSim.

No alerts have been found for OpenSurgSim.
