Tulane University TNBRC Anatomic Pathology Core Facility

RRID:SCR_024606

Type: Tool

Proper Citation

Tulane University TNBRC Anatomic Pathology Core Facility (RRID:SCR_024606)

Resource Information

URL: <https://tnprc.tulane.edu/anatomic-pathology-core>

Proper Citation: Tulane University TNBRC Anatomic Pathology Core Facility (RRID:SCR_024606)

Description: Anatomic Pathology Core is responsible for post-mortem examinations, tissue collection and distribution, fixation, processing, slide preparation, routine and special staining, and diagnostic gross and histologic pathology services. Processes and interprets biopsy specimens for both research and diagnostic purposes and provides tissue trimming, paraffin processing, sectioning, and routine and special staining for clinical and research staff and faculty. APC works closely with clinical veterinarians, and through diagnostic pathology on biopsies and necropsies, plays major role in monitoring and maintaining health of animals in breeding colonies.

Abbreviations: APC

Synonyms: Tulane University TNBRC Anatomic Pathology Core, TNBRC Anatomic Pathology Core

Resource Type: access service resource, core facility, service resource

Keywords: ABRF, post-mortem examinations, tissue collection and distribution, fixation, processing, slide preparation, routine and special staining, diagnostic gross and histologic pathology services,

Resource Name: Tulane University TNBRC Anatomic Pathology Core Facility

Resource ID: SCR_024606

Alternate IDs: ABRF_2521

Alternate URLs: <https://coremarketplace.org/?FacilityID=2521&citation=1>

Record Creation Time: 20231024T002344+0000

Record Last Update: 20260905T133439+0000

Ratings and Alerts

No rating or validation information has been found for Tulane University TNBRC Anatomic Pathology Core Facility.

No alerts have been found for Tulane University TNBRC Anatomic Pathology Core Facility.
