University of Colorado School of Medicine Electron Microscopy Core Facility

RRID:SCR_025521
Type: Tool

Proper Citation

University of Colorado School of Medicine Electron Microscopy Core Facility (RRID:SCR_025521)

Resource Information

URL: https://medschool.cuanschutz.edu/cell-and-developmental-biology/em-core-facility

Proper Citation: University of Colorado School of Medicine Electron Microscopy Core Facility (RRID:SCR_025521)

Description: Service facility which provides instrumentation and image analysis on recharge basis. Offers full specimen preparation and imaging services. Specimen preparation for electron microscopy studies including negative staining, plastic embedding, ultramicrotome and immunogold.

Synonyms: , Electron Microscopy Core Facility, University of Colorado Anschutz Medical Campus Electron Microscopy Core Facility

Resource Type: access service resource, core facility, service resource

Keywords: Specimen preparation, electron microscopy, instrumentation, image analysis, imaging services, negative staining, plastic embedding, ultramicrotome, immunogold

Availability: Open

Resource Name: University of Colorado School of Medicine Electron Microscopy Core Facility

Resource ID: SCR_025521

Alternate IDs: ABRF_2830

Alternate URLs: https://coremarketplace.org/?FacilityID=2830&citation=1

Record Creation Time: 20240724T053254+0000

Record Last Update: 20260905T133500+0000

Ratings and Alerts

No rating or validation information has been found for University of Colorado School of Medicine Electron Microscopy Core Facility.

No alerts have been found for University of Colorado School of Medicine Electron Microscopy Core Facility.
