Cytiva: Biacore X100

RRID:SCR_025586

Type: Tool

Proper Citation

Cytiva: Biacore X100 (RRID:SCR_025586)

Resource Information

URL: <https://www.cytivalifesciences.com/en/us/shop/protein-analysis/spr-label-free-analysis/spr-systems/biacore-x100-p-05730>

Proper Citation: Cytiva: Biacore X100 (RRID:SCR_025586)

Description: Automated system for comprehensive, label-free analysis and characterization of biomolecular interactions in real-time. Can be used for applications, including structure function studies, pathway analysis, biomarker discovery and validation, drug target identification and validation, and assay development.

Synonyms: Biacore X100

Resource Type: instrument resource

Keywords: analysis and characterization of biomolecular interactions in real-time, structure function studies, pathway analysis, biomarker discovery and validation, drug target identification and validation, assay development,

Specification URL: <https://cdn.cytivalifesciences.com.cn/api/public/content/digi-15563-pdf>, <https://cdn.cytivalifesciences.com/api/public/content/digi-14524-original>,

Resource Name: Cytiva: Biacore X100

Resource ID: SCR_025586

Alternate IDs: Model_Number_Biacore_X100

Record Creation Time: 20240806T053245+0000

Record Last Update: 20260808T190727+0000

Ratings and Alerts

No rating or validation information has been found for Cytiva: Biacore X100.

No alerts have been found for Cytiva: Biacore X100.
