University of Liverpool Egg Facility (LIV-SRF)

RRID:SCR_026195

Type: Tool

Proper Citation

University of Liverpool Egg Facility (LIV-SRF) (RRID:SCR_026195)

Resource Information

URL: <https://www.liverpool.ac.uk/research/facilities/egg-facility/>

Proper Citation: University of Liverpool Egg Facility (LIV-SRF) (RRID:SCR_026195)

Description: Through the use of fertilised hen's eggs, the Egg Facility offers researchers methods for scientific research that can reduce or replace the use of mammalian models. It provides expertise in chorioallantoic membrane assays, specialising in cancer xenograft models, including patient-derived xenografts, to translate in vitro cancer studies and test therapeutic approaches.

Synonyms: University of Liverpool Egg Core Facility, Egg Facility, LIV-SRF Egg Facility, University of Liverpool Egg Facility

Resource Type: access service resource, core facility, service resource

Keywords: CAM assay, chorioallantoic membrane, xenograft, patient-derived xenografts, egg

Resource Name: University of Liverpool Egg Facility (LIV-SRF)

Resource ID: SCR_026195

Alternate IDs: ABRF_2998

Alternate URLs: <https://coremarketplace.org/?FacilityID=2998&citation=1>

Record Creation Time: 20241218T053316+0000

Record Last Update: 20260905T133515+0000

Ratings and Alerts

No rating or validation information has been found for University of Liverpool Egg Facility (LIV-SRF).

No alerts have been found for University of Liverpool Egg Facility (LIV-SRF).
