Northwestern University School of Medicine SBDRC Skin Tissue Engineering and Morphology Core Facility

RRID:SCR_026414

Type: Tool

Proper Citation

Northwestern University School of Medicine SBDRC Skin Tissue Engineering and Morphology Core Facility (RRID:SCR_026414)

Resource Information

URL: <https://www.skinresearch.northwestern.edu/cores/stem-core.html>

Proper Citation: Northwestern University School of Medicine SBDRC Skin Tissue Engineering and Morphology Core Facility (RRID:SCR_026414)

Description: Core provides services in human skin tissue procurement, isolation, and culture of human and murine skin-derived primary cells, 3D organotypic skin cultures, tissue processing, and basic histologic stains. The Core trains researchers in the development and use of these various techniques.

Abbreviations: STEM

Synonyms: , Northwestern University SBDRC Skin Tissue Engineering & Morphology (STEM) Core?, SBDRC Skin Tissue Engineering & Morphology (STEM) Core

Resource Type: access service resource, core facility, service resource

Keywords: ABRF, human skin tissue procurement, isolation, culture, human, murine, skin-derived primary cells, 3D organotypic skin cultures, tissue processing, histologic stains,

Resource Name: Northwestern University School of Medicine SBDRC Skin Tissue Engineering and Morphology Core Facility

Resource ID: SCR_026414

Alternate IDs: ABRF_3045

Alternate URLs: <https://coremarketplace.org/?FacilityID=3045&citation=1>

Record Creation Time: 20250212T060343+0000

Record Last Update: 20260905T133521+0000

Ratings and Alerts

No rating or validation information has been found for Northwestern University School of Medicine SBDRC Skin Tissue Engineering and Morphology Core Facility.

No alerts have been found for Northwestern University School of Medicine SBDRC Skin Tissue Engineering and Morphology Core Facility.
