Resource Information

URL: <https://www.vai.org/research/collaborations/west-michigan-neurodegenerative-diseases-mind-program/>

Proper Citation: Van Andel Institute MiND Blood Biorepository (RRID:SCR_027513)

Description: Biorepository that collects and stores donated PBMCs, plasma, and WBC pellets from people with neurodegenerative diseases to support scientific research on Parkinson's disease, dementia, and other neurodegenerative disorders. It functions as a research-focused collection of biospecimens, providing scientists with samples to study the mechanisms and causes of these conditions. Informed consent is obtained through our clinical partners. All donors remain anonymous.

Synonyms: , MiND Biorepository, West Michigan Neurodegenerative Diseases (MiND) Program Biobank

Resource Type: biobank, biospecimen repository, material storage repository, service resource, storage service resource

Keywords: biorepository, neurodegenerative diseases, blood, neurodegenerative disorders, brains, PBMCs, plasma, WBC pellets,

Resource Name: Van Andel Institute MiND Blood Biorepository

Resource ID: SCR_027513

Record Creation Time: 20251010T055859+0000

Record Last Update: 20260905T133550+0000
