Resource Information

URL: <https://www.pmgenomics.ca/pmgenomics/>

Proper Citation: University Health Network Princess Margaret Genomics Centre PMGC Core Facility (RRID:SCR_027524)

Description: Core is dedicated to providing access to cost-effective and high quality genomics services including standard and custom-tailored DNA sequencing using Illumina technologies, epigenomics, panel-based profiling (Luminex and Nanostring) and functional genomics. Single cell genomics applications on variety of popular platforms.

Synonyms: Princess Margaret (PM) Genomics Centre

Resource Type: access service resource, core facility, service resource

Keywords: ABRF, genomics services, standard and custom-tailored DNA sequencing, Illumina,

Availability: Open

Resource Name: University Health Network Princess Margaret Genomics Centre PMGC Core Facility

Resource ID: SCR_027524

Alternate IDs: ABRF_5429

Alternate URLs: https://coremarketplace.org/RRID:SCR_027524/?citation=1

Record Creation Time: 20251010T055859+0000

Record Last Update: 20260912T200529+0000

Ratings and Alerts

No rating or validation information has been found for University Health Network Princess Margaret Genomics Centre PMGC Core Facility.

No alerts have been found for University Health Network Princess Margaret Genomics Centre PMGC Core Facility.
