URL: http://health.usf.edu/byrd/adrc/index.htm

Proper Citation: Florida Alzheimer's Disease Research Center (RRID:SCR\_004940)

**Description:** A statewide consortium dedicated to Alzheimer's disease research to better understand the disease and related memory disorders. It includes Alzheimer's researchers and clinicians from institutions across Florida such as USF Health, Mayo Clinic Jacksonville, and Mount Sinai Medical Center. The purpose of the ADRC is to assist institutions in developing an infrastructure (cores) that can be used for various research projects with the goal of better understanding Alzheimer's disease and related disorders. The Florida ADRC is comprised of six cores, three projects and three pilot projects among other collaborations that utilize these cores.

Abbreviations: FADRC

Synonyms: Florida ADRC, Florida Alzheimer's Disease Research Center

**Resource Type:** data or information resource, topical portal, disease-related portal, portal

**Keywords:** disease related portal, alzheimer's disease, memory disorder, dementia, clinical, late adult human

**Related Condition:** Alzheimer's disease, Memory disorder, Dementia, Mild cognitive impairment

Funding Agency: NIA

Availability: Contact the core ADRC Administrator to use Florida ADRC cores

Resource Name: Florida Alzheimer's Disease Research Center

Resource ID: SCR\_004940

Alternate IDs: nlx\_143954

### **Ratings and Alerts**

No rating or validation information has been found for Florida Alzheimer's Disease Research Center.

No alerts have been found for Florida Alzheimer's Disease Research Center.
