Proper Citation: National Archive of Computerized Data on Aging (NACDA) (RRID:SCR_005876)

Description: Archive of data relevant to gerontological and aging research. Used to advance research on aging. Subjects include demographic, social, economic, and psychological characteristics of older adults, physical health and functioning of older adults, and health care needs of older adults. NACDA staff represents team of professional researchers, archivists and technicians who work together to obtain, process, distribute, and promote data relevant to aging research.

Abbreviations: NACDA

Synonyms: National Archive of Computerized Data on Aging, NACDA,

Resource Type: storage service resource, database, service resource, topical portal, data or information resource, data repository, portal

Keywords: gerontology, secondary analysis, data set, age, intelligence, life span, productive, late adult human

Related Condition: Aging

Funding Agency: NIA

Availability: Restricted
Resource Name: National Archive of Computerized Data on Aging (NACDA)

Resource ID: SCR_005876

Alternate IDs: nlx_149438

Alternate URLs: https://www.icpsr.umich.edu/icpsrweb/NACDA/index.jsp

Ratings and Alerts

No rating or validation information has been found for National Archive of Computerized Data on Aging (NACDA).

No alerts have been found for National Archive of Computerized Data on Aging (NACDA).
