## ABCE1 / RNase L antibody

RRID:AB\_10721856

Type: Antibody

### Proper Citation

GeneTex Cat# GTX88553, RRID:AB\_10721856

### Antibody Information

**URL:** [http://antibodyregistry.org/AB\\_10721856](http://antibodyregistry.org/AB_10721856)

**Proper Citation:** GeneTex Cat# GTX88553, RRID:AB\_10721856

**Target Antigen:** ABCE1 / RNase L antibody

**Host Organism:** goat

**Clonality:** polyclonal

**Comments:** Discontinued; manufacturer recommendations: ELISA; Preliminary experiments gave an approx. 80kDa band in Human Spleen lysates after 0.2µg/ml antibody staining. Please note that currently we cannot find an explanation in the literature for the band we observe given the calculated size of 67.3kDa according to NP\_002931.2. The ~80kDa band was successfully blocked by incubation with the immunizing peptide. We would appreciate any feedback from people in the field - have any results been reported with other antibodies/lysates? Have any further splice variants/modified forms been reported? Reported variants represent identical protein: NP\_002931.2 NP\_001035809.1 ELISA.

**Antibody Name:** ABCE1 / RNase L antibody

**Description:** This polyclonal targets ABCE1 / RNase L antibody

**Target Organism:** rat, canine, cow, mouse, bovine, dog, human

**Antibody ID:** AB\_10721856

**Vendor:** GeneTex

**Catalog Number:** GTX88553

**Record Creation Time:** 20250819T232901+0000

**Record Last Update:** 20250820T052844+0000

---

## Ratings and Alerts

No rating or validation information has been found for ABCE1 / RNase L antibody.

**Warning:** Discontinued at GeneTex

Discontinued; manufacturer recommendations: ELISA; Preliminary experiments gave an approx. 80kDa band in Human Spleen lysates after 0.2µg/ml antibody staining.
