cpnDB: A Chaperonin Database

RRID:SCR_002263

Type: Tool

Proper Citation

cpnDB: A Chaperonin Database (RRID:SCR_002263)

Resource Information

URL: <https://cpndb.ca/>

Proper Citation: cpnDB: A Chaperonin Database (RRID:SCR_002263)

Description: A curated collection of chaperonin sequence data collected from public databases or generated by a network of collaborators exploiting the cpn60 target in clinical, phylogenetic and microbial ecology studies. The database contains all available sequences for both group I and group II chaperonins. Users can search the database by Chaperonin type, group (I or II), BLAST, or other options, and can also enter and analyze FASTA sequences.

Abbreviations: cpnDB

Resource Type: data or information resource, production service resource, data analysis service, database, analysis service resource, service resource

Defining Citation: [PMID:15289485](#)

Keywords: chaperonin sequence, microbial ecology, phylogenetics, chaperonin, plastid, mitochondria, cytoplasm, sequence, blast, fasta, bio.tools

Funding: Canadian Biotechnology Strategy ;
National Research Council Genomics and Health Initiative

Availability: Free, Freely available

Resource Name: cpnDB: A Chaperonin Database

Resource ID: SCR_002263

Alternate IDs: biotools:cpndb, OMICS_01511, nif-0000-02694

Alternate URLs: <https://bio.tools/cpndb>

Old URLs: <http://www.cpndb.ca/cpnDB/home.php>

Record Creation Time: 20220129T080212+0000

Record Last Update: 20260808T190226+0000

Ratings and Alerts

No rating or validation information has been found for cpnDB: A Chaperonin Database.

No alerts have been found for cpnDB: A Chaperonin Database.
