Greengenes

RRID:SCR_002830
Type: Tool

Proper Citation

Greengenes (RRID:SCR_002830)

Resource Information

URL: http://greengenes.secondgenome.com/downloads

Proper Citation: Greengenes (RRID:SCR_002830)

Description: Database that provides access to the current and comprehensive 16S rRNA gene sequence alignment for browsing, blasting, probing, and downloading. The data and tools can assist the researcher in choosing phylogenetically specific probes, interpreting microarray results, and aligning/annotating novel sequences. The 16S rRNA gene database provides chimera screening, standard alignment, and taxonomic classification using multiple published taxonomies. ARB users can use Greengenes to update local databases., THIS RESOURCE IS NO LONGER IN SERVICE. Documented on September 16,2025.

Resource Type: database, data or information resource

Defining Citation: PMID:16820507

Keywords: microbiome, rrna, 16s rrna, gene, dna, rna, chimera, alignment, taxonomic classification, taxonomy, FASEB list

Funding: Department of Energy contract DE-AC02-05CH11231

Availability: Free, Freely available

Resource Name: Greengenes

Resource ID: SCR_002830

Alternate IDs: OMICS_01512, r3d100010549, nif-0000-02927

Alternate URLs: http://greengenes.lbl.gov, https://doi.org/10.17616/R36C8G

Record Creation Time: 20220129T080215+0000

Record Last Update: 20260808T190354+0000

Ratings and Alerts

No rating or validation information has been found for Greengenes.

No alerts have been found for Greengenes.
