Proper Citation: Primate Info Net (RRID:SCR_007380)

Description: Portal covering the broad field of primatology, providing original content and links to resources about nonhuman primates in research, education and conservation. Through email lists and other resources, PIN also supports an informal primate information network comprised of thousands of individuals around the world working with nonhuman primates in a variety of roles. Services Provided: - Primate Info Net (PIN): A comprehensive Web site with links to research, conservation, and education resources related to nonhuman primates. - PrimateLit Database (1940 to date): PrimateLite is a free, bibliographic database of more than 200,000 citations to the nonhuman primate literature. Indexing for PrimateLit is provided by the Primate Information Center, Washington NPRC, Seattle. - International Directory of Primatology: The International Directory of Primatology is a searchable directory of the field of primatology with detailed information about organizations, field studies, population management groups, and contact information for more than 3,000 primatologists. - Primate-Science: Primate-Science is a professionally oriented, e-mail-based electronic discussion forum for people engaged in research with nonhuman primates. - Primate-News: Primate-News is an e-mailed-based news clipping service open to anyone interested in nonhuman primates. - Primate Enrichment Forum: Primate Enrichment Forum is a professionally oriented, e-mail-based electronic discussion forum for individuals interested in environmental enrichment for nonhuman primates. - AskPrimate: AskPrimate is a cooperative e-mail reference service available to the research community and the general public. - Primate-Jobs: Primate-Jobs is a job listing service that includes paid and volunteer positions, wanted and available. - Careers in Primatology: Careers in Primatology is a resource for people considering careers in primate research, education, conservation, or veterinary medicine. - Audiovisual Resources: Audiovisual Resources is a collection of primate-related videotapes, slides, and audiotapes available for research and educational uses. - The Callicam: The Callicam is a Webcam feature of the Wisconsin NPRC's common marmoset site that allows students in the classroom to observe marmoset behavior and learn about their natural history, care, and management.

Abbreviations: PIN

Resource Type: portal, database, topical portal, data or information resource

Keywords: primatology, conservation, network, database, literature, information, organization, field study, population

Funding: NCRR RR000167;
NCRR RR015311

Resource Name: Primate Info Net

Resource ID: SCR_007380

Alternate IDs: nif-0000-00371

Record Creation Time: 20220129T080241+0000

Record Last Update: 20260728T043250+0000
