British National Formulary

RRID:SCR_008176

Type: Tool

Proper Citation

British National Formulary (RRID:SCR_008176)

Resource Information

URL: <http://www.bnf.org/bnf/>

Proper Citation: British National Formulary (RRID:SCR_008176)

Description: The BNF aims to provide prescribers, pharmacists and other healthcare professionals with sound up-to-date information about the use of medicines. The BNF provides ready access to key information on the selection, prescribing, dispensing and administration of medicines. Medicines that are generally prescribed in the UK are covered and those considered less suitable for prescribing are clearly identified.

Synonyms: BNF

Resource Type: data or information resource, portal

Keywords: drug, administration, clinical, dispensing, health care, manufacturer, medical, medicine, pharmaceutical, prescribing, product, regulatory, selection

Resource Name: British National Formulary

Resource ID: SCR_008176

Alternate IDs: nif-0000-21065

Record Creation Time: 20220129T080245+0000

Record Last Update: 20260808T190307+0000
