Blender

RRID:SCR_008606

Type: Tool

Proper Citation

Blender (RRID:SCR_008606)

Resource Information

URL: <http://www.blender.org/>

Proper Citation: Blender (RRID:SCR_008606)

Description: Blender is the free open source 3D content creation suite, available for all major operating systems under the GNU General Public License. Because of the overwhelming success of the first open movie project, Ton Roosendaal, the Blender Foundation's chairman, has established the Blender Institute. This now is the permanent office and studio to more efficiently organize the Blender Foundation goals, but especially to coordinate and facilitate Open Projects related to 3D movies, games or visual effects.

Synonyms: Blender

Resource Type: database, data or information resource

Keywords: FASEB list

Resource Name: Blender

Resource ID: SCR_008606

Alternate IDs: nif-0000-31943

Record Creation Time: 20220129T080248+0000

Record Last Update: 20260808T190423+0000

Ratings and Alerts

No rating or validation information has been found for Blender.

No alerts have been found for Blender.

Data and Source Information

Usage and Citation Metrics

We found 2546 mentions in open access literature.

Listed below are recent publications. The full list is available at [SPARC SAWG](#) .

Cheong HSJ, et al. (2026) Organization of circuits linking descending input to motor output in the *Drosophila* Male Adult Nerve Cord connectome. *eLife*, 13.

Zhou Y, et al. (2026) Artificial Tactile Perception System for Exploring Internal and External Features of Objects via Time-Frequency Features. *Advanced science* (Weinheim, Baden-Wurttemberg, Germany), 13(14), e09928.

Woodgate SC, et al. (2026) How complex must shape data be to model in vivo forces? Intraspecific level validation of in silico jaw strength estimates in a lizard. *The Journal of experimental biology*, 229(3).

Sal?k MA, et al. (2026) Development and Techno-functional Characterization of Beyaz Cheese Fortified with Walnut (*Juglans regia* L.) Leaf Powder and *Lactobacillus acidophilus* LA-5. *Probiotics and antimicrobial proteins*, 18(2), 1736.

Gros A, et al. (2026) Microscopy Nodes: versatile 3D microscopy visualization with Blender. *EMBO reports*, 27(3), 581.

Maheshwari J, et al. (2026) Effect of Right Ventricular Outflow Tract Material Properties on Simulated Transcatheter Pulmonary Placement. *ArXiv*.

Sugiura K, et al. (2026) The oldest sepioid cephalopod from the Cretaceous discovered by Digital fossil-mining with zero-shot learning AI. *Communications biology*, 9(1).

Rebillard A, et al. (2026) Early Permian terrestrial apex predator regurgitalite indicates opportunistic feeding behaviour. *Scientific reports*, 16(1), 1087.
