BioSpace

RRID:SCR_012010

Type: Tool

Proper Citation

BioSpace (RRID:SCR_012010)

Resource Information

URL: <http://www.biospace.com/>

Proper Citation: BioSpace (RRID:SCR_012010)

Description: Online community for industry news and careers for life science professionals.

Abbreviations: BioSpace

Resource Type: job resource, narrative resource, data or information resource

Keywords: biotechnology, pharmaceutical, career, clinical, academic, biomedical, medical device

Availability: The community can contribute to this resource

Resource Name: BioSpace

Resource ID: SCR_012010

Alternate IDs: OMICS_01828

Record Creation Time: 20220129T080308+0000

Record Last Update: 20260731T042843+0000

Ratings and Alerts

No rating or validation information has been found for BioSpace.

No alerts have been found for BioSpace.

Data and Source Information

Usage and Citation Metrics

We found 498 mentions in open access literature.

Listed below are recent publications. The full list is available at [SPARC SAWG](#) .

Kim YS, et al. (2025) Low phase angle indicates poor muscle strength and physical performance in patients with knee osteoarthritis awaiting total knee arthroplasty. *Scientific reports*, 15(1), 27511.

Liu Y, et al. (2025) Association between bone mineral density T-score and respiratory sarcopenia in older adults. *Frontiers in medicine*, 12, 1534208.

Li H, et al. (2025) Occurrence of sarcopenia in elderly patients with coronary heart disease and its association with short-term prognosis. *BMC cardiovascular disorders*, 25(1), 28.

Nes BM, et al. (2025) Effects of 1-year exercise in patients with atrial fibrillation: study protocol for the Norwegian Exercise in Atrial Fibrillation (NEXAF) randomised controlled trial. *Open heart*, 12(1).

Tong B, et al. (2025) Relationship of total and regional lean body mass with knee pain and function in patients with knee osteoarthritis: a cross-sectional study. *BMC musculoskeletal disorders*, 26(1), 859.

Mannini A, et al. (2025) Ganglioside GD2 Contributes to a Stem-Like Phenotype in Intrahepatic Cholangiocarcinoma. *Liver international : official journal of the International Association for the Study of the Liver*, 45(1), e16208.

Wang K, et al. (2025) Microalgae-based biodegradable embolic agent for the treatment of hepatocellular carcinoma through transarterial embolization. *Journal of nanobiotechnology*, 23(1), 234.

Abdullah H, et al. (2025) High-Resolution prediction of soil pH in European temperate forests using Sentinel-2 and ancillary environmental data. *Scientific reports*, 15(1), 28509.

Chen CH, et al. (2025) The effect of intensive resistance exercise and excessive fructose intake on metabolic and physiological responses. *Nutrition & metabolism*, 22(1), 50.

Zhu X, et al. (2025) Study on body composition characteristics and influencing factors of sarcopenia status among older adults in Shanghai: a cross-sectional study. *Journal of health, population, and nutrition*, 44(1), 356.

Tanel M, et al. (2025) Reticulospinal and corticospinal responses in long-term strength-trained and untrained adults. *European journal of applied physiology*, 125(11), 3283.

Yoon D, et al. (2025) Low-molecular-weight whey protein hydrolysate and ginseng berry extract enhance muscle strength and physical performance in Korean older adults: a randomized controlled trial. *Nutrition research and practice*, 19(3), 412.

Sjúrðarson T, et al. (2025) Investigating the combined effects of statins and exercise on skeletal muscle mitochondrial content and function, cardiorespiratory fitness and quality of life in individuals with dyslipidaemia: protocol for a randomised placebo-controlled trial. *BMJ open*, 15(6), e101425.

Wang Y, et al. (2025) Protocol for iterative in vivo selection of highly metastatic ovarian cancer cell populations and metastasis modeling in mice. *STAR protocols*, 6(4), 104095.

Church DD, et al. (2025) Effect of 3 Different Daily Protein Intakes in a 2-Meal Eating Pattern on Protein Turnover in Middle Age and Older Adults: A Randomized Controlled Trial. *The Journal of nutrition*, 155(5), 1364.

Plesek J, et al. (2025) Running Distance and Biomechanical Risk Factors for Plantar Fasciitis: A 1-yr Prospective 4HAIE Cohort Study. *Medicine and science in sports and exercise*, 57(4), 756.

Yoneshiro T, et al. (2025) Pre-fertilization-origin preservation of brown fat-mediated energy expenditure in humans. *Nature metabolism*, 7(4), 778.

Liu T, et al. (2025) Effects of beinaglutide on visceral fat area and gut microbiota in obesity. *European journal of medical research*, 30(1), 448.

Szabó D, et al. (2025) Evaluation of youth male soccer players' injuries in the context of body posture. *Journal of experimental orthopaedics*, 12(3), e70334.

Hettiarachchi J, et al. (2025) Energy and protein intake adequacy in geriatric rehabilitation inpatients: A descriptive cohort study. *JPEN. Journal of parenteral and enteral nutrition*, 49(7), 883.
