Proper Citation: International Imaging Genetics Conference (RRID:SCR_014125)

Description: An international symposium held initially to assess the new technology and innovation in the various established fields of genetics and imaging, and to facilitate the transdisciplinary fusion needed to optimize the development of the emerging field of Imaging Genetics. This annual conference features presentations from investigators world-wide and places emphasis on facilitating in-depth discussions among the participants and presenters.

Resource Type: training resource, meeting resource

Keywords: meeting resource, symposium, international, imaging genetics

Resource Name: International Imaging Genetics Conference

Resource ID: SCR_014125

Alternate URLs: <http://www.imaginggenetics.uci.edu>

Record Creation Time: 20220129T080319+0000

Record Last Update: 20260808T190305+0000

Ratings and Alerts

No rating or validation information has been found for International Imaging Genetics Conference.
