Salk Institute Biophotonics Core Facility

RRID:SCR_014838

Type: Tool

Proper Citation

Salk Institute Biophotonics Core Facility (RRID:SCR_014838)

Resource Information

URL: <http://www.salk.edu/science/core-facilities/advanced-biophotonics/>

Proper Citation: Salk Institute Biophotonics Core Facility (RRID:SCR_014838)

Description: Core facility equipped with commercial imaging and data analysis technologies. The facility will provide technical assistance to the Salk Institute faculty through access to confocal microscopy (both fixed and live cell), TIRF microscopy, two-photon microscopy, electron microscopy and super-resolution microscopy as well as in vivo imaging modalities.

Resource Type: access service resource, service resource, core facility

Keywords: core facility, la jolla, imaging, data analysis, confocal microscopy, TIRF microscopy, two-photon microscopy, electron microscopy, super-resolution microscope, in vivo imaging

Funding: NINDS Neuroscience Core Grant ;
Waitt Foundation ;
Salk Institute Waitt Advanced Biophotonics Core Facility ;
NCI CCSG P30 014195

Availability: Open

Resource Name: Salk Institute Biophotonics Core Facility

Resource ID: SCR_014838

Alternate IDs: ABRF_1640

Alternate URLs: <https://coremarketplace.org/?FacilityID=1640&citation=1>

Record Creation Time: 20220129T080322+0000

Record Last Update: 20260729T044334+0000

Ratings and Alerts

No rating or validation information has been found for Salk Institute Biophotonics Core Facility.

No alerts have been found for Salk Institute Biophotonics Core Facility.
