Type: Tool

Proper Citation

Clinical Trials in Organ Transplantation in Children (CTOT-C) (RRID:SCR_015860)

Resource Information

URL: http://www.ctotc.org

Proper Citation: Clinical Trials in Organ Transplantation in Children (CTOT-C) (RRID:SCR_015860)

Description: Project portal for a cooperative research program sponsored by the National Institute of Allergy and Infectious Diseases (NIAID). CTOT-C is an investigative consortium for conducting clinical and associated mechanistic studies that will lead to improved outcomes for pediatric heart, lung, or kidney transplant recipients.

Abbreviations: CTOT-C

Synonyms: NIAID Clinical Trials in Organ Transplantation in Children, Clinical Trials in Organ Transplantation in Children, NIAID CTOT-C

Resource Type: data or information resource, consortium, project portal, portal, organization portal

Keywords: heart, kidney, lung, pediatric, cooperative research program, niaid, clinical study, mechanistic study, transplant

Funding: NIAID UM2 AI117870

Availability: Public, Available to the scientific community

Resource Name: Clinical Trials in Organ Transplantation in Children (CTOT-C)

Resource ID: SCR_015860

Record Creation Time: 20220129T080327+0000

Record Last Update: 20260808T190026+0000

Ratings and Alerts

No rating or validation information has been found for Clinical Trials in Organ Transplantation in Children (CTOT-C).

No alerts have been found for Clinical Trials in Organ Transplantation in Children (CTOT-C).
