## Nornir

RRID:SCR\_016458

Type: Tool

---

### Proper Citation

Nornir (RRID:SCR\_016458)

---

### Resource Information

**URL:** <http://www.nitrc.org/projects/nornir/>

**Proper Citation:** Nornir (RRID:SCR\_016458)

**Description:** Software application to take large sets of overlapping images in 2D and 3D and produce registered 3D volumes of any size and scale. Registered slices may be exported as a single large images or viewed/annotated with Viking viewer. Used on transmission electron microscopy, scanning electron microscopy images, and light microscopy images.

**Resource Type:** software application, software resource, data processing software, image acquisition software, software toolkit, data acquisition software

**Keywords:** overlapping, image, 2D, 3D, produce, registered, aligned, 3D volume, microscopy

**Availability:** Free, Available for download, Freely available

**Resource Name:** Nornir

**Resource ID:** SCR\_016458

**Alternate URLs:** <https://github.com/nornir/>, <http://nornir.github.io/>

**License:** Creative Commons Attribution-NonCommercial-ShareAlike 4.0 International

**Record Creation Time:** 20220129T080330+0000

**Record Last Update:** 20260729T044418+0000

---

### Ratings and Alerts

No rating or validation information has been found for Nornir.

No alerts have been found for Nornir.
