Nuclear Hormone Receptor Scan

RRID:SCR_016975

Type: Tool

Proper Citation

Nuclear Hormone Receptor Scan (RRID:SCR_016975)

Resource Information

URL: http://www.cisreg.ca/cgi-bin/NHR-scan/nhr_scan.cgi

Proper Citation: Nuclear Hormone Receptor Scan (RRID:SCR_016975)

Description: Web interface for computational prediction of nuclear hormone receptor binding sites in genomic sequences. Flexible Hidden Markov Model framework to allow for variable spacing and orientation of half sites. Allows for parameter modifications.

Abbreviations: NHR-scan

Synonyms: NHR-scan, NHR Scan, NHRScan, Nuclear Hormoe Receptor Scan

Resource Type: production service resource, web service, software resource, data access protocol, analysis service resource, service resource

Defining Citation: [PMID:15563547](#)

Keywords: prediction, nuclear, hormone, receptor, binding, site, genomic, sequence, parameter, modification, analysis

Funding: Pharmacia Corporation to the Center for Genomics and Bioinformatics ; Canadian Institutes of Health Research

Availability: Free, Available, Acknowledgement requested

Resource Name: Nuclear Hormone Receptor Scan

Resource ID: SCR_016975

Alternate IDs: OMICS_14042

Record Creation Time: 20220129T080333+0000

Record Last Update: 20260808T190040+0000

Ratings and Alerts

No rating or validation information has been found for Nuclear Hormone Receptor Scan.

No alerts have been found for Nuclear Hormone Receptor Scan.
