

Resource Summary Report

Generated by SPARC SAWG on Aug 9, 2026

University of Florida ICBR Bioinformatics Core Facility

RRID:SCR_019120

Type: Tool

Proper Citation

University of Florida ICBR Bioinformatics Core Facility (RRID:SCR_019120)

Resource Information

URL: <http://www.biotech.ufl.edu/bioinformatics/>

Proper Citation: University of Florida ICBR Bioinformatics Core Facility (RRID:SCR_019120)

Description: Core offers bioinformatics consulting and data analysis services to help researchers analyze and understand large data sets acquired from next generation sequencing and array based technologies. Bioinformatics staff members have extensive experience in bioinformatics, genomics, transcriptomics and translational informatics in plant, animal and microbial systems. Expertise includes big data analysis, statistical analysis, software development and high performance computing.

Synonyms: University of Florida UF ICBR Bioinformatics, UF ICBR Bioinformatics

Resource Type: core facility, access service resource, service resource

Keywords: USEEdit, bioinformatics consulting, bioinformatics data analysis services, statistical analysis, software development, high performance computing, ABRF, ABRF

Resource Name: University of Florida ICBR Bioinformatics Core Facility

Resource ID: SCR_019120

Alternate IDs: ABRF_645

Alternate URLs: <https://coremarketplace.org/?FacilityID=645>

Record Creation Time: 20220129T080343+0000

Record Last Update: 20260808T190655+0000

Ratings and Alerts

No rating or validation information has been found for University of Florida ICBR Bioinformatics Core Facility.

No alerts have been found for University of Florida ICBR Bioinformatics Core Facility.

Data and Source Information
