Proper Citation: Deep Collaborative Learning (RRID:SCR_019258)

Description: Software tool as deep collaborative learning with application to study of multimodal brain development. Uses deep network to represent original data and then seeks their correlations, while also linking data representation with phenotypical information.

Abbreviations: DCL

Synonyms: dcl_model

Resource Type: software resource, software application, data analysis software, data processing software

Keywords: Data fusion method, nonlinear predictive relationship, functional magnetic resonance imaging, brain research, data, data correlation, phenotypical information

Availability: Free, Available for download, Freely available

Resource Name: Deep Collaborative Learning

Resource ID: SCR_019258

Record Creation Time: 20220129T080344+0000

Record Last Update: 20260808T190129+0000
