Siemens: 2000 Immunoassay System

RRID:SCR_020514

Type: Tool

Proper Citation

Siemens: 2000 Immunoassay System (RRID:SCR_020514)

Resource Information

URL: <https://www.siemens-healthineers.com/immunoassay/systems/immulite-2000-immunoassay-system>

Proper Citation: Siemens: 2000 Immunoassay System (RRID:SCR_020514)

Description: Immunoassay analyzer with a maximum throughput of 200 tests per hour. Immunoassay system is designed specifically for optimum efficiency and consolidation in medium- and high-volume laboratories. The IMMULITE 2000 software, and graphical user interface, offers streamlined information management, from remote test ordering to sophisticated analysis of results.

Resource Type: instrument resource

Keywords: Siemens, Immunoassay, Instrument Equipment, USEdit

Availability: Commercially available

Resource Name: Siemens: 2000 Immunoassay System

Resource ID: SCR_020514

Alternate IDs: Model_Number_2000

Record Creation Time: 20220129T080350+0000

Record Last Update: 20260808T190155+0000

Ratings and Alerts

No rating or validation information has been found for Siemens: 2000 Immunoassay System.

No alerts have been found for Siemens: 2000 Immunoassay System.
