SnapATAC

RRID:SCR_020981

Type: Tool

Proper Citation

SnapATAC (RRID:SCR_020981)

Resource Information

URL: <https://github.com/r3fang/SnapATAC>

Proper Citation: SnapATAC (RRID:SCR_020981)

Description: Software package for analyzing scATAC-seq datasets.Used to dissect cellular heterogeneity in unbiased manner and map trajectories of cellular states. Can process data from up to million cells. Incorporates existing tools into comprehensive package for analyzing single cell ATAC-seq dataset.

Synonyms: Single Nucleus Analysis Pipeline for ATAC-seq

Resource Type: software toolkit, software resource, software application, data analysis software, data processing software

Defining Citation: [PMID:33637727](https://pubmed.ncbi.nlm.nih.gov/33637727/)

Keywords: scATAC-seq datasets analysis, dissects cellular heterogeneity, cellular states, map trajectories

Funding: NCI K99 CA252020;
UCSD School of Medicine ;
NIMH U19 MH114831

Availability: Free, Available for download, Freely available

Resource Name: SnapATAC

Resource ID: SCR_020981

Alternate URLs: <https://github.com/r3fang/SnapATAC>

License: GNU General Public License v3.0

Record Creation Time: 20220129T080353+0000

Ratings and Alerts

No rating or validation information has been found for SnapATAC.

No alerts have been found for SnapATAC.
