BBKNN

RRID:SCR_022807

Type: Tool

Proper Citation

BBKNN (RRID:SCR_022807)

Resource Information

URL: <https://bbknn.readthedocs.io/en/latest/>

Proper Citation: BBKNN (RRID:SCR_022807)

Description: Software to identify each cell's top neighbours in each batch separately instead of entire cell pool with no accounting for batch. Nearest neighbours for each batch are then merged to create final list of neighbours for cell. Aligns batches in a quick and lightweight manner.

Synonyms: Batch Balanced KNN

Resource Type: software application, software resource

Keywords: Aligns batches, nearest neighbours for each batch, identify each cell's top neighbours, each batch separately,

Availability: Free, Available for download, Freely available

Resource Name: BBKNN

Resource ID: SCR_022807

Alternate URLs: <https://github.com/Teichlab/bbknn/blob/master/docs/index.rst>,
