Proper Citation: immunarch (RRID:SCR_023089)

Description: Software R package for exploration of single-cell and bulk T-cell/antibody immune repertoires. Framework for bioinformatics exploratory analysis of bulk and single-cell T-cell receptor and antibody repertoires.

Resource Type: data processing software, data analysis software, software resource, software application, software toolkit

Keywords: exploratory analysis, bulk and single-cell T-cell receptor, antibody repertoires

Availability: Free, Available for download, Freely available

Resource Name: immunarch

Resource ID: SCR_023089
