University of Ottawa Electron Microscopy Core Facility

RRID:SCR_025398

Type: Tool

Proper Citation

University of Ottawa Electron Microscopy Core Facility (RRID:SCR_025398)

Resource Information

URL: <https://www.uottawa.ca/research-innovation/transmission-electron-microscopy>

Proper Citation: University of Ottawa Electron Microscopy Core Facility (RRID:SCR_025398)

Description: Core Facility offers imaging and Transmission Electron Microscopy (TEM) sample processing services, in collaboration with CHEO's Electron Microscopy Laboratory. Provides comprehensive TEM imaging services, hands-on training for independent instrument use, and expert support in sample preparation and processing.

Synonyms: , Transmission Electron Microscopy Core, TEM Core Facility, University of Ottawa Transmission Electron Microscopy Core, Transmission Electron Microscopy (TEM) Core

Resource Type: core facility, access service resource, service resource

Keywords: ABRF, electron microscope, imaging, Transmission Electron Microscopy, sample processing services,

Resource Name: University of Ottawa Electron Microscopy Core Facility

Resource ID: SCR_025398

Alternate IDs: ABRF_2816

Alternate URLs: <https://coremarketplace.org/?FacilityID=2816&citation=1>

Record Creation Time: 20240607T053250+0000

Record Last Update: 20260808T190723+0000

Ratings and Alerts

No rating or validation information has been found for University of Ottawa Electron Microscopy Core Facility.

No alerts have been found for University of Ottawa Electron Microscopy Core Facility.
