University of California at San Francisco Advanced Microscopy Core Facility

RRID:SCR_025781

Type: Tool

Proper Citation

University of California at San Francisco Advanced Microscopy Core Facility
(RRID:SCR_025781)

Resource Information

URL: <https://emcore.ucsf.edu/>

Proper Citation: University of California at San Francisco Advanced Microscopy Core Facility (RRID:SCR_025781)

Description: Core includes instrumentation for structural biology with focus on cryo-electron microscopy. Used for imaging ranging from atomic resolution to whole cells, with emphasis on linking structural and dynamics information with biological functions.

Synonyms: , W.M Keck Foundation Advanced Microscopy Laboratory, UCSF EM core

Resource Type: core facility, access service resource, service resource

Keywords: Cryo-electron microscopy, cryo-EM, cryogenic electron microscopy, imaging, atomic resolution, whole cells,

Resource Name: University of California at San Francisco Advanced Microscopy Core Facility

Resource ID: SCR_025781

Alternate IDs: ABRF_2929

Alternate URLs: <https://coremarketplace.org/?FacilityID=2929&citation=1>

Record Creation Time: 20240921T053245+0000

Record Last Update: 20260808T190732+0000

Ratings and Alerts

No rating or validation information has been found for University of California at San Francisco Advanced Microscopy Core Facility.

No alerts have been found for University of California at San Francisco Advanced Microscopy Core Facility.
