Boise State University Biomedical Research Institute Biomolecular Research Core Facility

RRID:SCR_026945

Type: Tool

Proper Citation

Boise State University Biomedical Research Institute Biomolecular Research Core Facility
(RRID:SCR_026945)

Resource Information

URL: <https://www.boisestate.edu/bri/biomolecular-research-core-facility/>

Proper Citation: Boise State University Biomedical Research Institute Biomolecular Research Core Facility (RRID:SCR_026945)

Description: Biomolecular Research Core Facility (BRCF) has collection of instrumentation for characterization of biomolecules and their role in variety of processes. Instrumentation is accessible to internal and external customers. Available instrumentation focuses on mass spec, histology, imaging, and protein biochemistry.

Synonyms: , Biomolecular Research Core Facility (BRCF), Biomedical Research Institute Biomolecular Research Core Facility, Biomolecular Research Core Facility

Resource Type: access service resource, service resource, core facility

Keywords: ABRF, mass spec, histology, imaging, protein biochemistry,

Availability: Open

Resource Name: Boise State University Biomedical Research Institute Biomolecular Research Core Facility

Resource ID: SCR_026945

Alternate IDs: ABRF_3241

Alternate URLs: <https://coremarketplace.org/?FacilityID=3241&citation=1>

Record Creation Time: 20250516T053848+0000

Record Last Update: 20260729T044650+0000

Ratings and Alerts

No rating or validation information has been found for Boise State University Biomedical Research Institute Biomolecular Research Core Facility.

No alerts have been found for Boise State University Biomedical Research Institute Biomolecular Research Core Facility.
