Proper Citation: University of Texas Southwestern Medical Center Rodent Behavior Core Facility (RRID:SCR_028524)

Description: Core can assist investigators in all aspects of rodent behavioral testing including the design and execution as well as the data analysis and interpretation. Facility is equipped to perform behavioral tests to thoroughly phenotype overall motor and sensory function of rats and mice as well as phenotype specific behaviors that are of interest to the investigators (learning and memory, motor function, place/fear conditioning, pain/analgesia, and anxiety-related behaviors).

Synonyms: UT Southwestern Rodent Behavior Core, UTSW Rodent Behavior Core

Resource Type: core facility, access service resource, service resource

Keywords: ABRF, rodent behavioral testing,

Resource Name: University of Texas Southwestern Medical Center Rodent Behavior Core Facility

Resource ID: SCR_028524

Alternate IDs: ABRF_385

Alternate URLs: <https://coremarketplace.org/?FacilityID=385&citation=1>

Record Creation Time: 20260605T195314+0000

Record Last Update: 20260808T190830+0000
