SoftBerry

RRID:SCR_000902

Type: Tool

Proper Citation

SoftBerry (RRID:SCR_000902)

Resource Information

URL: <http://www.softberry.com/>

Proper Citation: SoftBerry (RRID:SCR_000902)

Description: Developer of software tools for genomic research focused on computational methods of high throughput biomedical data analysis, including software to support next generation sequencing technologies, transcriptome analysis with RNASeq data, SNP detection and selection of disease specific SNP subsets. Provides custom genome annotation services.

Synonyms: Linux SoftBerry, Soft berry

Resource Type: data or information resource, portal, software resource

Keywords: genomic, analysis, computation, biomedical, data analysis, rnaseq, sna, snp, transcriptome

Availability: Restricted

Resource Name: SoftBerry

Resource ID: SCR_000902

Alternate IDs: nlx_156881

Old URLs: <http://linux1.softberry.com/>

Record Creation Time: 20220129T080204+0000

Record Last Update: 20260808T190259+0000

Ratings and Alerts

No rating or validation information has been found for SoftBerry.

No alerts have been found for SoftBerry.

Data and Source Information
