Australian Research Council (RRID:SCR_000952)

Resource Information

URL: http://www.arc.gov.au/

Proper Citation: Australian Research Council (RRID:SCR_000952)

Description: An Australian government agency that allocates research funding to academics and researchers at Australian universities. The mission of the council is to deliver policy and programs that advance Australian research, spur innovation and benefit the community.

Abbreviations: ARC

Synonyms: ARC

Resource Type: nonprofit organization

Keywords: funding, allocation, australia, research, academic, policy, public health, community, grant

Resource Name: Australian Research Council

Resource ID: SCR_000952

Alternate IDs: ISNI: 0000 0004 0611 9213, Wikidata: Q4824612, nlx_156882, grid.413452.5, Crossref funder ID: 501100000923

Alternate URLs: https://ror.org/05mmh0f86

Record Creation Time: 20220129T080204+0000

Record Last Update: 20260808T185733+0000

Ratings and Alerts

No rating or validation information has been found for Australian Research Council.

No alerts have been found for Australian Research Council.
