NiLearn

RRID:SCR_001362

Type: Tool

Proper Citation

NiLearn (RRID:SCR_001362)

Resource Information

URL: <http://nilearn.github.io>

Proper Citation: NiLearn (RRID:SCR_001362)

Description: A software package to facilitate the use of statistical learning on NeuroImaging data. Namely NiLearn leverages the scikit-learn Python toolbox for multivariate statistics with applications such as predictive modelling, classification, decoding, or connectivity analysis.

Abbreviations: NiLearn

Synonyms: NiLearn: Machine learning for Neuro-Imaging in Python

Resource Type: data processing software, image processing software, software application, software library, software resource, software toolkit

Keywords: analyze, clinical neuroinformatics, magnetic resonance, nifti, os independent, python

Availability: Free, Freely Available

Resource Name: NiLearn

Resource ID: SCR_001362

Alternate IDs: nlx_155897

Alternate URLs: <http://www.nitrc.org/projects/nilearn>

License: BSD License

Record Creation Time: 20220129T080207+0000

Record Last Update: 20260912T200007+0000

Ratings and Alerts

No rating or validation information has been found for NiLearn.

No alerts have been found for NiLearn.

Data and Source Information
