Signed Differential Mapping

RRID:SCR_002554

Type: Tool

Proper Citation

Signed Differential Mapping (RRID:SCR_002554)

Resource Information

URL: <http://www.sdmproject.com/>

Proper Citation: Signed Differential Mapping (RRID:SCR_002554)

Description: Statistical method and software for conducting image- and coordinate-based meta-analysis of neuroimaging studies investigating differences in brain activity (e.g. BOLD response in fMRI, metabolism in PET) or structure (e.g. gray matter volume in VBM, voxel-based or TBSS white matter fractional anisotropy in DTI, etcetera).

Abbreviations: SDM

Resource Type: software resource

Keywords: magnetic resonance, pet, spect, fmri, vbm, meta-analysis

Availability: Free, Available for download, Freely available

Resource Name: Signed Differential Mapping

Resource ID: SCR_002554

Alternate IDs: nlx_155962

Alternate URLs: <http://www.nitrc.org/projects/sdm>

Record Creation Time: 20220129T080214+0000

Record Last Update: 20260808T185743+0000

Ratings and Alerts

No rating or validation information has been found for Signed Differential Mapping.

No alerts have been found for Signed Differential Mapping.

Data and Source Information
